Mr. Butch Mullet  
Mullet's Aluminum Products Inc.  
345 McIntosh Road  
Sarasota, FL 34238

Dear Butch,

On behalf of the Economic Development Corporation of Sarasota County Board of Directors and staff, I want to congratulate you on the 40th anniversary of Mullet's Aluminum. Your story is an impressive one as you have grown from working out of your garage, making gutters and downspouts for local homeowners, to a company operating out of an 80,000+ square foot facility, delivering high-quality aluminum products all over the state of Florida and beyond.

I am sure you have experienced the highs and lows over the past 40 years as the market has changed, but your business acumen has prevailed, and today you provide good jobs to over 200 people in our community. As the recipient of the Aluminum Association of Florida Award of Excellence every year since 2007, as well as being a Platinum, Gold, and Silver Distributor for PGT Innovations since 2010, your commitment to quality is well-recognized.

Mullet's Aluminum's market includes condominiums, residential, commercial, and transportation projects, but I also understand that you have fabricated the "last room on earth" for the United Launch Alliance which includes NASA, the United States Air Force, Boeing, and SpaceX. While I am not sure what the "last room on earth" is or how it is used, I do know that those four companies would only select the very best company for this project. The fact that they chose Mullet's Aluminum speaks volumes about the quality of your business as well as the superior fabrication of your products.

Notably, your business success has been built in tandem with a generosity to the community. In addition to being members of numerous local, state, and national professional associations, Mullet's Aluminum has so generously given back to the Sarasota community. Many local non-profit organizations, such as Sarasota Christian School, Riverview High School, Suncoast Charities, Suncoast Blood Bank, Team Tony, Bayside Church, and Habitat for Humanity are among those who have been the recipient of your generosity.

The EDC is so proud to have Mullet's Aluminum in Sarasota County. You have built a company that is now one of our largest employers and we look forward to supporting your growth going forward.
